How to get to DH A324 (the lab):

Enter Doherty Hall by the fence, and then go down one floor to the A level. Take a left turn at the bottom of the stairs and walk. When you are about 15 meters from the pass-through into Wean Hall, there will be a doorway to your left with stairs going both up and down. Take the stairs down, turn left at the bottom, and walk to the end of the corridor. The doorway at the end is room A324.
